**Re:** DAP Cap and Gown Purchases

Dear Seniors 2010 and their families,

For the past several years students who graduated from Burleson High School on the DAP Graduation plan were provided a black cap and gown courtesy of BHS. This has become a process which is no longer possible. The black caps and gowns were a one-time donation and that supply has become severely depleted through the years. This shortage combined with the increasing number of students graduating DAP has forced this change in practice. Another issue which has influenced this change is that BHS can no longer support supplying caps and gowns for the students who meet higher achievement standards while not supplying the same to all other students.

All students will need to purchase a cap and gown. Those students who will graduate on the DAP plan will still wear the black robe. The school will provide names of the DAP graduates to the company which supplies the caps and gowns and they will ensure that a black cap and gown is delivered to the school on the specified date for delivery.

Since the spring panoramic picture is to be taken at 10:15 a.m. on Tuesday, June 1<sup>st</sup>, 2010, DAP graduates will be able to wear their black robes in the picture.

We recognize that this is a change in what has previously been the practice at BHS and we apologize for any inconvenience resulting from this change.

Sincerely,

*BHS Administration*
