

McKinney-Vento Education for Homeless Children and Youth Program

The McKinney-Vento Act defines “homeless children and youth” as individuals who lack a fixed, regular, and adequate nighttime residence. The term includes –

 - Living in motels, hotels, trailer parks, or camping grounds due to lack of alternative adequate accommodations;
 - Living in emergency or transitional shelters;
 - Abandoned in hospitals, or
 - Awaiting foster care placement;
- Children and youth who have a primary nighttime residence that is a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings;
- Children and youth who are living in cars, parks, public spaces, abandoned building, substandard housing, bus or train stations, or similar settings; and
- Migratory children who qualify as homeless because they are living in circumstances described above.
