

Attention Private Schools / Nonprofit Educators

Your students may be eligible for federal education services under Title I, Part A, of the *Elementary and Secondary Education Act*. Title I, Part A, provides services to both public and private school children who need additional educational help and who live in Title I public school attendance areas.

Title I, Part A Services can range from reading instruction several times per week during the regular school day to mathematics instruction after school to counseling services to a family literacy program during the summer. In addition to these student services, Title I can provide professional development activities for teachers of participating children and special activities for families of Title I students.

If you are interested in learning more about the Title I program services that your eligible students and teachers could receive in the 2024-25 school year, you are invited to join us for an initial information and consultation meeting, which is planned for Tuesday, May 23 at 2:00 in the BISD Board Room, 1160 SW Wilshire Blvd., Burleson, Texas. At this meeting we will discuss eligibility and the corresponding requirements for participation.

We hope that you will choose to learn about the Title I services for your students, teachers, and families. In the meantime, if you have any questions, please contact me at 817-245-1068. I look forward to meeting with you soon.

Sincerely,

Charles Osborne
Title I Director
