Dates: Wednesday, June 1st-Thursdays, July 21st

Hours: 24/7 accessibility, 8:00-12:00 M-Th for test taking and support only

Principal: [Scott Shaha](#)

Phone Number: 817.245.0289

English Teacher: [Toni Alverson](#)

Math Teacher: [Tricia Dixon](#)

Science Teacher: [Rebecca Ferguson](#)

Social Studies Teacher: [Jeremy Martin](#)

Electives Teacher: [Nick Stauffer](#)

Website for Courses: <https://www.edgenuity.com/login/> - accessed via Clever on student chrome book - once logged in to chrome book, "Clever" will pop up. Edgenuity is an icon on the "Clever" home page. Courses that have been paid for have been loaded into the student's Edgenuity account.

Supplies Needed: paper for note taking, pen/pencil, calculator (math courses), headphones, headphones with microphone for Spanish courses

The courses are all web based and can be accessed via desktop computer, laptop computer, or tablet. Google Chrome is the most effective browser. The coursework can be accessed at any time via the internet. Students will work through the courses at their own pace without interruption until they get to a unit test. At that point the system will lock and the student will be required to come to CHS in order for the exam to be monitored to ensure test security and integrity.

Once a course has been completed, paperwork will be filled out by staff and sent to the student's counselor for addition to the student's transcript. Any course not completed by 12:00 p.m. on Thursday, July 21st will be closed and no credit for that course will be granted. Progress will be monitored on a weekly basis. Students who are not progressing will be contacted as will parents. Students are encouraged to contact teachers when they need assistance.
