

### GO Center Permission Form

Did you know that your son/daughter’s school has a college readiness office called a “GO Center”? The GO Center is staffed by UT Arlington students/Mentors who work under the supervision of a designated counselor at the school. The counselor may be reached via the main phone number of the campus. These Mentors will help your son/daughter identify what their career interests are, help them register for ACT/SAT tests, and apply for and enroll in a college of their choosing. Mentors also help students with applying for financial aid and scholarships, and provide tutoring as needed. GO Centers are available statewide, all of the services provided at the GO Center are free of charge. Please encourage your student to visit the GO Center at any time! Your student’s GO Center is located on his/her campus as follows:

- Burleson High School: (817)-245-0000; GO Center is located on the first floor.
- Centennial High School: (817)-245-0250; GO Center is located in room A114.
- Crossroads High School: (817)-245-0500; GO Center is located in the College and Career Center.

The UT Arlington GO Center is interested in using information provided to students as well as demographics from those who visit the GO Center to evaluate and report on the effectiveness of the program. The information is collected in aggregate/totals; names will never be used. No SSN or birthdate will ever be collected. All information will remain confidential.

---

### Go Center Permission Form

By signing below, I agree to have my son/daughter visit the GO Center and allow for the program to gather the information as mentioned above. I/we understand that no information about my son/daughter will be disclosed in such a way that they can be identified. An adult/guardian signature is required for students younger than 18.
