

Public Service Endorsement Law and Public Service

Emergency Services

The Emergency Services program of study focuses on training CTE learners to respond to emergency situations, such as medical emergencies and fire-based emergencies. Students will learn how to prevent emergencies, respond appropriately and in accordance with rules and regulations during crises, and investigate and delineate the source of the emergency.

Levels	Courses	
Level 1	Principles of Law, Public Safety, Corrections, and Security 9

Occupation	Median Wage	Annual Openings	% Growth
Firefighters	\$50,149	2,309	13%
Fire Inspectors and Investigators	\$54,787	161	14%

Industry Based Certifications

+Basic Structure Fire Protection Certification

A student will need to pass the state basic fire suppression certification exam as well. In addition, students are required to complete emergency medical responder training and pass a criminal history background check.

To earn a CTE endorsement, students must take a minimum of 3 classes for 4 or more credits in the same Program of Study, and must end with one Level 3 or Level 4 CTE course.
