

Bring home an exchange student...

...bring home the world!

Make next school year the most enriching for your family- SHARE! your heart & home with a high school exchange student! Volunteer families are needed to teenage boys and girls, from Germany, Italy, China, Brazil, Bolivia, Czech Republic, Slovakia, Mongolia, Japan, Ecuador, South Korea, and several other countries. Families can review student applications and choose the boy or girl that is the best match.

SHARE! students speak English, come medically insured and with their own spending money for personal expenses. They attend the host family's local high school for a school year or semester.
