1. When you click apply, you can either apply with your credentials or, if you are a new user, you can create a profile. **Applicants must have a profile before they can apply for a position within the district.**

The screenshot shows two main sections. The top section, titled "Existing Users Please Log In", contains fields for "Username:" and "Password:", a "Log In" button, and a link for "Forgot your username/password?". The bottom section, titled "New Users Please Create a Profile", features a checkbox labeled "I Would Like To Create a New Profile". Below this are several required fields: "Your Email Address:", "\* Your First Name:", "\* Your Last Name:", "\* Your Username:", "\* Your Password:", "\* Re-Enter Password:", "\* Your SSN:", and "\* Re-Enter SSN:". There is also a link "Why do we collect this information?" and a "Create Profile" button.
