BURLESON ISD CHILD CARE

A Fun Place to Learn and Grow!

Burleson ISD
Child Care

A service and benefit
for the employees of
the Burleson
Independent
School System

Director: Jayne Jones
Tel: 817-245-1250

Welcome to the Burleson ISD Child Care

Burleson ISD Child Care is a high quality child care for ages Newborn through Pre-K (4 year olds) serving the employees of the Burleson Independent School District. Each of our caregivers are highly experienced and passionate about early childhood.

We are fully licensed by the Texas State Department of Family and Protective Services. We are also a provider with Child Care Services of both Tarrant and Denton/Johnson County. (CCS/CCMS)

Curriculum

We use Frog Street Press Curriculum which is a DAP (Developmentally Appropriate Practices) curriculum for every age (including the infants). This is the same curriculum used in the Elementary schools. Every day is full of fun and learning with a consistent daily schedule. Learning centers in classes 18 months and up include **Art, Manipulatives, Science, Music, Dramatic Play, & Blocks** as well as others. Often we have guest speakers which include a Pilot, Fireman, Hair Dresser, Veterinarian, BHS FFA Students and animals, and many others.

Meals

We serve the children a breakfast and an afternoon snack consisting of healthy, low-sugar food items. Lunches can either be brought or purchased through the BISD Food Service. All rooms have access to refrigerators and microwaves to help prepare or warm up any lunch item.
