

For Immediate Release

## Johnson County School Districts Extend Closure Through May 1

In support of a decision by Governor Greg Abbott to extend school closures across the state, all Johnson County schools have announced they will remain closed through Friday, May 1.

- Alvarado
- Burleson
- Cleburne
- Godley
- Grandview
- Joshua
- Keene
- Rio Vista
- Venus

District offices will remain closed as well. School district leaders across the county will continue to monitor updates and recommendations from local officials, Governor Abbott and the Commissioner of Education as decisions are being made about instruction and any potential extension of the closure.

These are unprecedented times and Johnson County school districts are appreciative of the patience and support given by their communities as they navigate their way through this new way of delivering instruction.
