## **DRESS CODE 2024-25**

### **UNIFORMS/APPEARANCE**

The Academy at Nola Dunn established a uniform for students on the premise that a dress code provides students with an opportunity to learn many valuable life lessons. The goal of the uniform is to ensure that all students are well-groomed and properly attired. The Academy at Nola Dunn believes uniforms are student's "work clothes" and promotes a level of integrity toward work ethic and academics. When students collectively adhere to the uniform, they support respect and credibility among and between members of their community and allow us all to focus on the most worthy and meaningful goals. Brain Based education is an effort to educate students in a personal, active and authentic way. Being in the appropriate uniform diverts attention from distraction and status to learning and engagement. The uniform is a way to look beyond current trends and focus on learning experiences that truly inspire us.

**Each Academy family has committed to maintaining the integrity of the dress code. Wearing the Academy uniform components provided on the web page will be expected each day by all students unless otherwise authorized by Academy administration.**

The students dress and grooming:

- Shall be neat, clean, and must meet dress code standards
- Shall not lead school officials to believe that such dress or grooming will disrupt, interfere with, disturb, or distract from school activities.
- Shall not create a health hazard to the student's safety or to the safety of others.

**It is recommended that elementary dress be appropriate to the school day's activities:**

- Shorts or tights shall be worn under plaid jumpers during all P.E. activities.
- Girls may wear non-distracting hair accessories in keeping with the color of our uniforms.
- Non-uniform coats and jackets may be worn outside of the school building.
- Students may wear long-sleeved turtlenecks under their polo shirts as long as the colors match the shirt or they may choose to wear a white, black, navy or hunter green long sleeved shirt or turtle neck under any colored uniform shirt.
- Students may wear Academy jackets, Academy sweatshirts, and Academy hoodies over their uniforms in the classroom at anytime. No monogramming on any Academy hoody, sweater, or jacket.
- No hats or scarves are to be worn inside the building except for special "hat" days.
- Jewelry that causes a distraction or is of a dangerous nature will not be allowed.
- No visible stick or spray on tattoos
- Clothing which exposes the stomach and hips shall not be worn.
- Student names shall not be monogrammed on uniform clothing.
- All uniform tops and spirit shirts must not be altered in any way

### **NOTE:**

The school administration shall have the right to appraise all fashion and determine its appropriateness for school. The decision is final and rests with the building administration. Uniform dress violations will be addressed discretely and a student will receive a written violation report asking that parents correct the offense immediately. Depending on the type of violation and/or urgency to correct it, a child may need to change into extra attire that we loan out through the school clinic. It will be the parent's responsibility to return the cleaned item (s) to the clinic as soon as possible.
